

Roseville Wrestling Club
Parent/Guardian Participation Agreement

Good Citizenship

I will encourage good sportsmanship by demonstrating positive support for all wrestlers, coaches and officials at every game, practice, and fundraising event.

My child and I will treat other wrestlers, coaches, officials and fans with respect regardless of race, sex, creed, or ability.

I will be responsible for transporting my child to practice on time and I will stay to participate in practice or pick my child up 15 minutes before practice is scheduled to be completed.

Health & Hygiene

I will have my wrestler come to practice with clean clothes and clean hands with nails trimmed.

I will insure that my wrestler does not have any skin infections that may be transmitted to other wrestlers. If I notice something new on my wrestler's skin I will have it checked by a medical professional and treated immediately to minimize infecting others and missed practices.

I will insure that any open wounds are covered securely.
